WHO DO YOU SAY THAT I AM?
THE JESUS RETREAT
October 8-9, 2016
St. Therese Retreat Center

Friend. Teacher. Confidant. When you think of Jesus, what comes to your mind? When Jesus thinks of you, what comes to mind? If you could meet Jesus today, what would you say? What would He say to you?

Connect with Jesus and others of faith as they seek to consider who Christ is in their own life, in others and in the world. Encounter His humanity by walking the Gospel stories with Jesus and reflecting on your relationship with Him. Grow in the love you share for each other and for those around you.

Transition (noun): The process of letting go of the way things used to be and taking hold of the way they are or will be. Whether you are graduating from college, transitioning jobs, moving to a new city, getting married or even having just lost a loved one, transitions in life are not always easy. Though they can be joyous, they can also be stressful. Though exciting, they can be painful. And though appearing transparent, they can be confusing.

**Connect** and share with others yearning to reflect on the changes taking place in their lives. **Encounter** the ways in which God is ever present in those moments of uncertainty. **Grow** to find a deeper and more grace-filled understanding of how one’s faith in God is active in our journey of transition.
